

Communion Assistant

DURING SERVICE

1. At the invitation to Communion, join the pastor at the altar.
You will have the common chalice or the intinction chalice.
When distributing the wine, please say "This is the blood of Christ, shed for you" or "The blood of Christ, the cup of salvation."
2. When done serving Communion, go to the altar with pastor to receive Communion. Then put purificator over the chalice and place it on the credence table.
3. Return to altar to see if any assistance is needed; if not, you may return to your seat.

AFTER SERVICE: Wait until after dismissal.

1. Assist with clean up; with the pastor and anyone who has taken communion, consume the elements. Excess wine and juice may be poured out on the ground outside.
2. Make sure candles are extinguished.
3. Any additional duties the pastor might need to be done.
