

Directions for Lighting the Advent Candles

*You / your family's only job will be to light the Advent candle(s);
you will not have to read or do anything else!*

The Advent Candle(s) will be lit during the Collect of the Day, so please come to the Advent Wreath at the end of the Gathering Song, during the Opening Acclamation. The Advent Candle Wreath will be on the large marble (Redeemer) altar. There will be matches and sand to extinguish the match on the altar.

At the 10 am service:
